

- 1-off 970.55 vandal resistant outpost
- 1-off 970.51 vandal resistant master station with lock release
- 1-off 970.00 system PSU

## SERIES 9 INTERCOM

Our NOMS compliant series 9 intercom system is specially developed for use in tough custodial environments. Most units have stainless steel faceplates, flush mount back boxes and **ANTI-TAMPER** fixings, ideal for Police, MoJ, HMPS, secure hospitals and similar establishments. Many units also benefit from safer cell compatible **ANTI-LIGATURE** design making the system suitable for custody suites, seclusion rooms etc. For more extreme locations we also offer units with super-flush back boxes for mounting in **ANTI-PICK** adhesive.

### 970.51 MASTER STATION

- Vandal resistant one to one intercom master
- Robust resistant stainless steel construction
- Simple operation
- **CALL/CANCEL, TALK/LISTEN** and **LOCK RELEASE** buttons
- Flush mounting with anti-tamper fixings
- Suitable for use in public areas
