Surface mount

Mild steel construction

Black painted finish

Suitable for RA7703.01 standard disabled refuge 3-way master station

ACCESSORIES AND BACK BOXES

Folknoll offer a range of back boxes for mounting our equipment. This includes surface, flush and semi-flush units made from aluminium, mild steel and stainless steel. Units are normally suppled with a galvanised, brushed or black painted finish. Other materials, finishes and custom back boxes are available on request.

AC 4100-014 SURFACE, STEEL, BLACK

Our AC 4100-014 Back Box Surface, Steel, Black is specially designed for mounting our standard stainless steel disabled refuge 3-way master station. The unit has 4-off tapped M4 mounting holes to match the master station faceplate.

MOUNTING

This back box is designed for surface mounting. The unit is supplied with 4-off 4mm fixing holes for easy installation.

CABLE ACCESS

This back box has no knockout panels but can be drilled as required for fitting cable glands etc.
