Features
- Surface mount

Description

The 5100 series is a range of easy to install and easy to operate Fire Telephone equipment, designed to enable you and your clients to install a BS5839:9 compliant Fire Telephone System.

The FT 5100-101 Red Fire Telephone is the standard outstation for the Folknoll Fire Telephone System.

Designed For Life

As with all Folknoll products the Fire Telephone system has been designed for easy installation, simple configuration, straightforward operation, excellent testing facilities, low maintenance and high reliability.

Custom Units

Folknoll is a customer focused company. If you need special software features, custom made units or larger systems, then please contact Folknoll to discuss your requirements.
