

- 1-off 970.56 vandal resistant outstation
- 1-off 970.50 vandal resistant master station
- 1-off 970.00 system PSU

SERIES 9 INTERCOM

Our NOMS compliant series 9 intercom system is specially developed for use in tough custodial environments. Most units have stainless steel faceplates, flush mount back boxes and **ANTI-TAMPER** fixings, ideal for Police, MoJ, HMPS, secure hospitals and similar establishments. Many units also benefit from safer cell compatible **ANTI-LIGATURE** design making the system suitable for custody suites, seclusion rooms, etc. For more extreme locations, we also offer units with super-flush back boxes for mounting in **ANTI-PICK** adhesive.

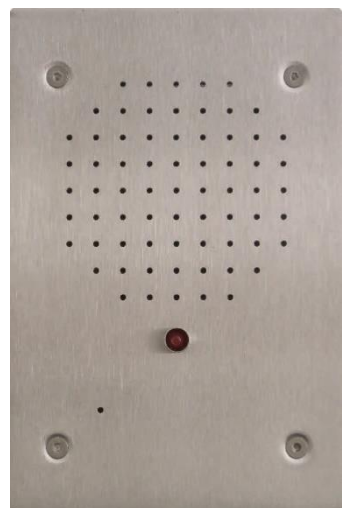

970.50 MASTER STATION

- Vandal resistant one to one intercom master
- Robust, stainless steel faceplate
- Simple operation
- **CALL/CANCEL** and **TALK/LISTEN** buttons
