FOLKNOLL PRESTIGE WALDEN CALL SYSTEMS

Our flexible Prestige warden call / nurse call range combines panic alarms, assistance alarms, door exit alarms, external alarms, intercom, door entry control with local and remote monitoring.

Providing peace of mind to residents of care homes, warden controlled homes, nursing homes and other similar establishments.

PS7602 PRESTIGE DOOR ENTRY SPEECH UNIT

Speech units are installed in residential units and strategic locations and provide an alarm pull cord, high quality two-way speech, alarm inputs, hand unit hosting etc.

The PS7602 Prestige Door Entry Speech Unit provides the standard speech unit features with additional door entry controls.

Visitors use a door entry panel in the entrance to call the resident. The resident can talk with the visitor and remotely unlock the entrance if desired.
